

Unlock Seamless Communication with WorkMation and Webex

As the cornerstone of success in today's business world, the need for robust communication has never been more critical.

Enter Webex Collaboration Suite—your gateway to streamlined communication and unparalleled teamwork.

Communication obstacles and teamwork impediments

With dispersed teams everywhere needing to connect and collaborate anytime, communication barriers and gaps can arise, leading to:

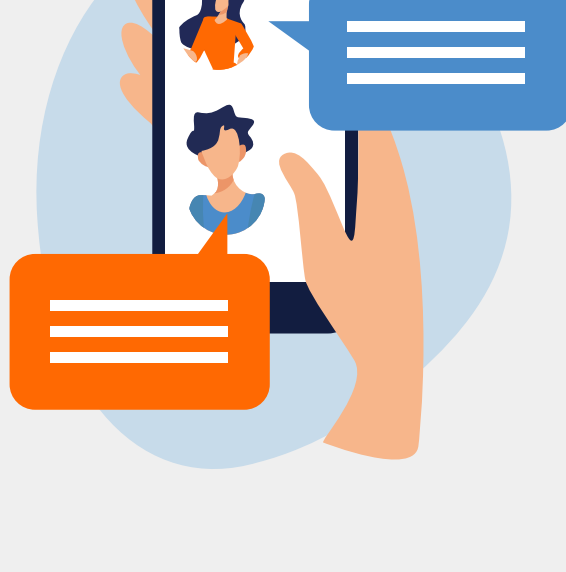

-  **Inefficient meetings**
-  **Unengaging webinars**
-  **Lack of innovation**
-  **Limited event reach**
-  **Security concerns**

Making communication wishes come true

WorkMation and Webex address these challenges head-on, offering a transformative solution that bridges the gap and propels businesses forward.

AI-Powered Collaboration

Webex Collaboration Suite elevates your communication and innovation opportunities with cutting-edge features designed for optimal teamwork.

Real-Time Communication

Instant messaging, HD video conferencing, and crystal-clear audio ensure seamless communication and collaboration.

Content Sharing

Effortlessly share documents, presentations, and ideas in real-time, promoting an environment where creativity knows no bounds.

Secure File Storage

Safeguard your data with a centralized hub for documents and assets, accessible only to authorized users anytime, anywhere.

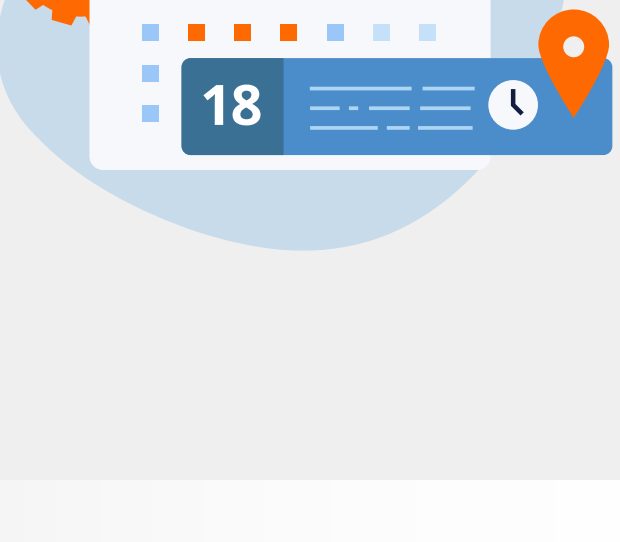

Project Management

Streamline projects with integrated task management tools, keeping everyone on the same page and deadlines within reach.

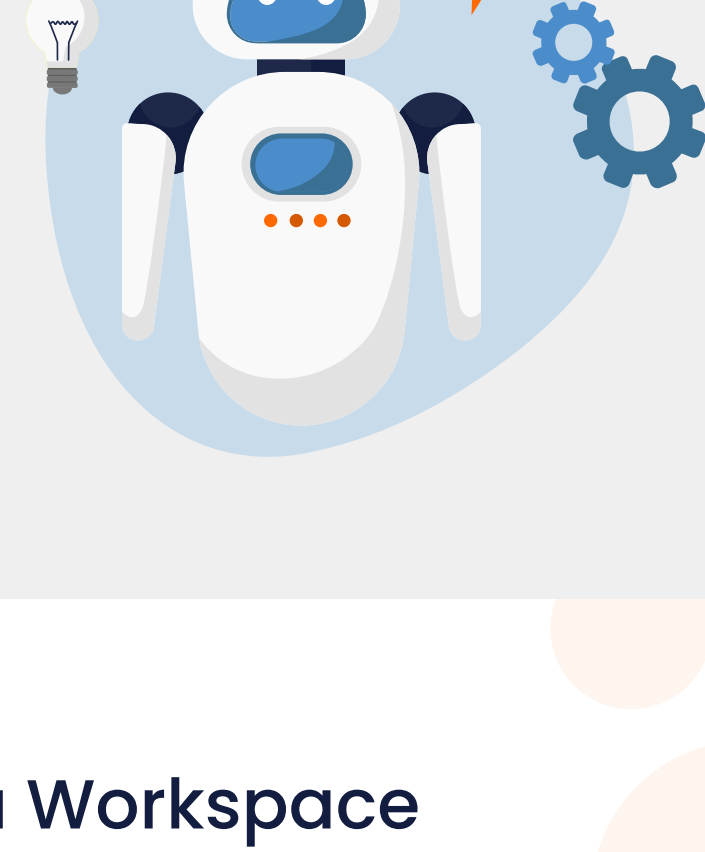

Event Management

Power virtual and hybrid events and webinars that boost attendance and encourage active participation.

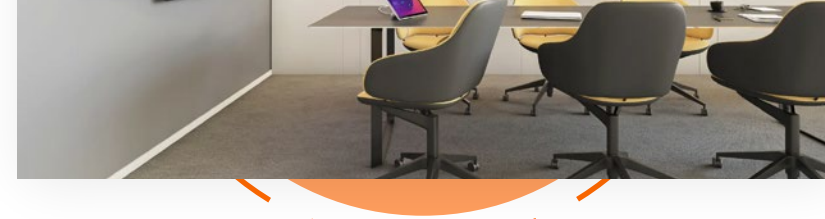

AI Assistant

Get caught up on a meeting in real-time, summarize an hour-long meeting recording, and quickly identify and solve support issues.

Any Space can Become a Workspace

Transform anywhere into a versatile digital workspace

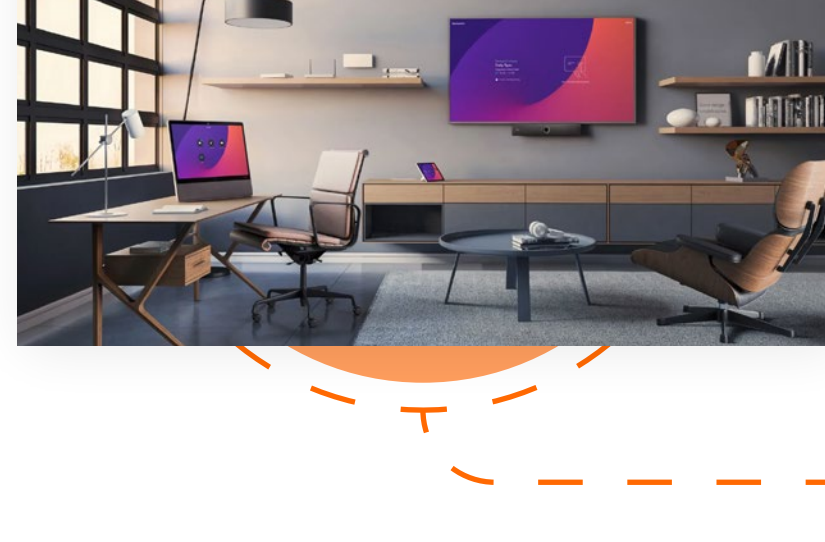

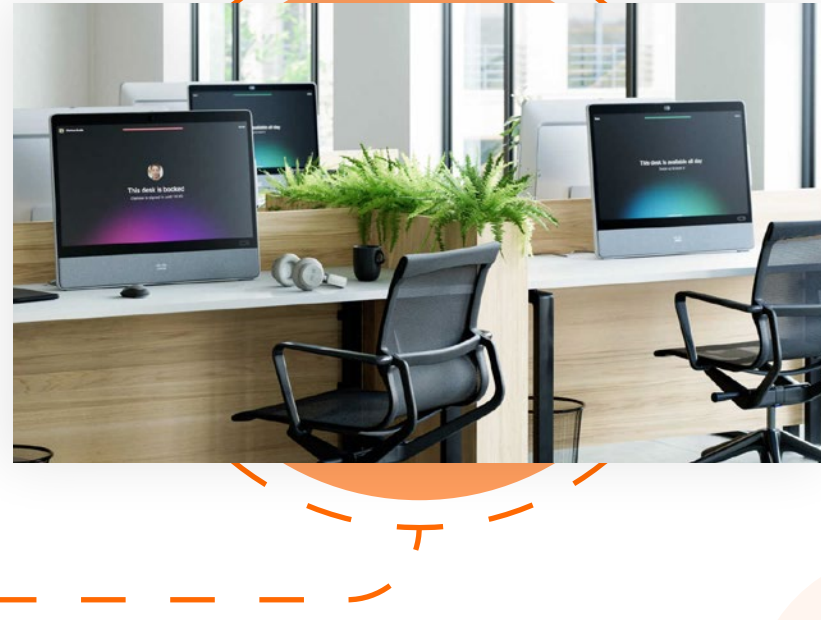

Small Meeting/Conference Room

Unleash innovation by bringing office and remote employees together.

Desk Sharing/Hot Desk

Maximize your office space by allowing users to sign in and book a shared device.

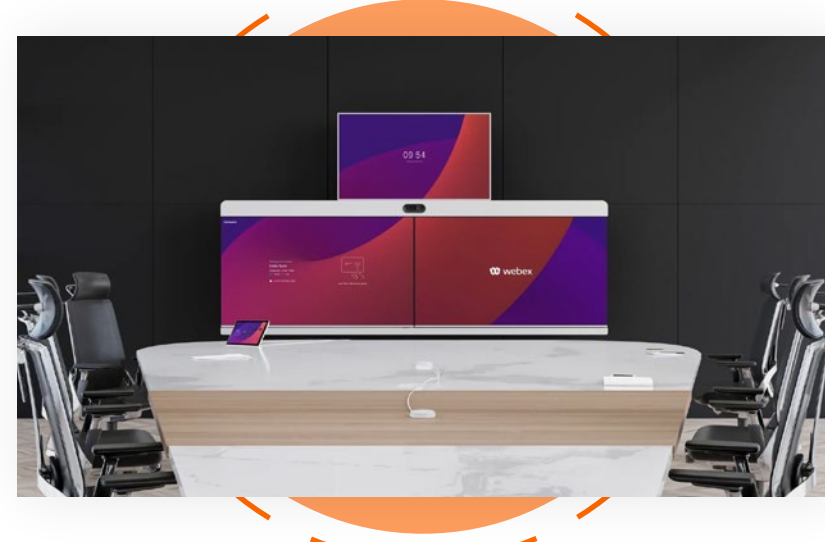

Home Office

Empower your employees to work productively no matter where their "office" is.

Doctors Office

Enhance the continuity of care with telehealth patients and collaborate with clinicians.

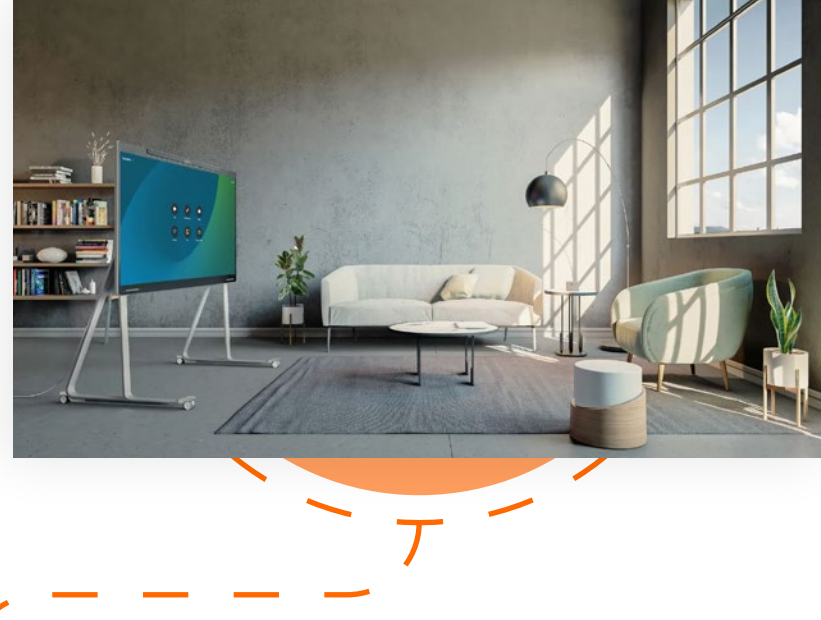

Board Room

Unlock intelligent and inclusive meeting experiences that drive business outcomes.

Idea Room

Create a space where employees can brainstorm and design what's next for your business.

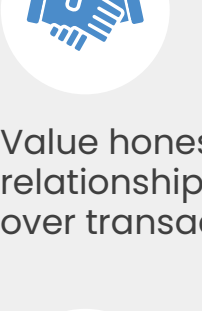

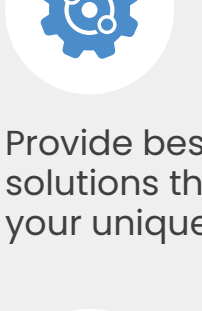

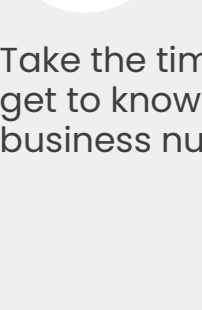

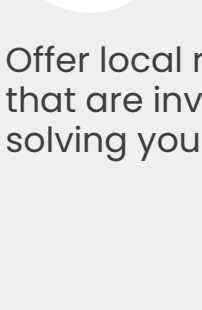

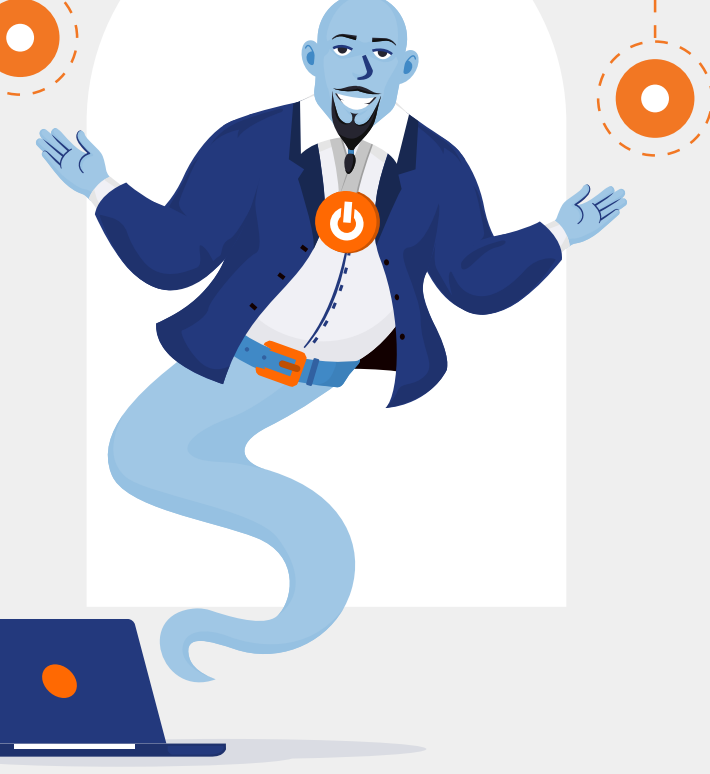

With WorkMation and Webex Collaboration Suite, you can:

-  **Increase productivity**
-  **Enhance cost-efficiency**
-  **Boost innovation**
-  **Always stay connected**
